PeopleScout Accelerate

Reach Talent Faster with PeopleScout Accelerate

Unpredictable hiring peaks. Talent gaps. Lack of insight. We know organizations are struggling to hire talent and stay agile while facing these challenges in today's tumultuous market.

That's why we've developed PeopleScout Accelerate—to optimize your recruitment funnel, enhance your candidate experience, maximize ROI and ensure your workforce success—now and into the future.

PeopleScout Accelerate is a tech-powered, ready-to-go recruitment process outsourcing (RPO) solution that combines PeopleScout's deep

recruitment expertise and a pre-configured Affinix™ talent acquisition technology suite—implemented in just two weeks.

For organizations that need to move at lightning speed, we've curated the essential Affinix modules to create a modern candidate experience, integrating them into a single, seamless platform that delivers results faster.

With PeopleScout Accelerate, you gain agility, streamline your recruitment process and access a world-class candidate experience that is unparalleled in the industry.

Making RPO as Easy as 1, 2, 3

PeopleScout Accelerate delivers top talent in weeks, not months.

1

Discovery

Meet your dedicated PeopleScout team and share details of your project and employer brand.

2

Implementation

PeopleScout sets up your Affinix instance and prepares your tech-powered candidate experience for action.

3

Activation

You start receiving candidates from your PeopleScout recruitment team, and you're on your way to winning top talent.

Value

» ROBUST RECRUITMENT TECHNOLOGY IN TWO WEEKS

PeopleScout Accelerate features a comprehensive, pre-configured Affinix™ talent acquisition suite. We've curated everything you need to attract, engage and hire talent—career site hosting, CRM, passive candidate sourcing, mobile-first quick apply, screening, interview self-scheduling and analytics. Our out-of-the-box approach means you're up and running in just two weeks. Gain a modern, tech-forward candidate experience that rivals even the largest enterprise.

» DELIVERING VALUE AT HIGHER VELOCITY

PeopleScout Accelerate's recruitment technology platform is ready to go to maximize the speed and agility of RPO for organizations of all sizes. Deploy quickly and cut approximately 12 weeks off your RPO implementation process—vastly expediting time to value.

» AMPLIFY YOUR SUCCESS

As a leading global talent partner for over 30 years, PeopleScout's flexible solutions bring speed and market insights to strengthen your competitive edge. We're creative problem solvers dedicated to providing an excellent candidate and hiring manager experience. Our committed to enhancing your team and elevating your talent acquisition program generates tangible results.
