PeopleScout Solutions

PeopleScout's comprehensive talent solutions include:

Recruitment Process Outsourcing (RPO):
Management of the recruitment processes including consultation and oversight of some or all of the talent acquisition strategy.

Recruiter On-Demand™:
Flexible, on-demand contract recruiting services.

Amplifiers™:
Modular RPO solutions covering everything from sourcing to onboarding to augment your team where you need it in your recruitment lifecycle.

PeopleScout Accelerate™:
A tech-powered, ready-to-go recruitment solution that is up and running in just two weeks.

Total Workforce Solutions (TWS):
Integrated talent solutions offer a holistic approach to the acquisition of contingent and permanent workers.

Managed Service Provider (MSP):
Enterprise-wide contingent workforce and vendor management.

Talent Advisory Services:
Including employer branding, recruitment marketing, DE&I, assessment services, market insights and talent acquisition strategy consulting.

PeopleScout Affinix™ at the Crossroads of Talent & Technology

PeopleScout's award-winning Affinix™ talent technology suite supports our talent solutions through a mobile-first, consumer-like candidate experience, a streamlined sourcing process and analytics insights.
